

Rider Name: _____

Retailer: _____

Date: _____

Total **cargo carry weight** includes clothing, helmet, shoes, tools, bags, electronics, gps, food, hydration, and anything else you carry on your person or on the bike.

Total cargo carry weight guidelines:

21 to 34 lbs: Ultralight bikepacking or touring

28 to 45 lbs: Loaded bikepacking or touring

46 lbs or more: Seven does not design for >45 lbs

Weight Distribution Design

Specify, to the best of your knowledge, how you'll load your Seven for bikepacking or touring.

	Yes or No	Cargo Weight (Lbs or kg)			Frequency Ridden (% of time at each weight)		
		Minimum	Average	Maximum	Minimum	Average	Maximum
